Beecroft Road and Carlingford Road, Epping

Project update
Roads and Maritime Services | April 2018

The NSW Government is funding this project through the Housing Acceleration Fund. Roads and Maritime Services is delivering this project, which involves upgrading the Beecroft Road and Carlingford Road intersection in Epping.

The project aims to support the Epping Town Centre population growth, which will deliver more homes in places with access to infrastructure, transport, services and jobs, in the area in the future.

This project will result in improved traffic flow, reduced traffic congestion with new turning and slip lanes and improved pedestrian access.

Progress so far and the next stage
We have finished all of the pavement work on the northbound carriageway, the retaining wall and all drainage work. Work still to be done includes:

- landscaping
- reinstating the footpath
- some additional pavement work
- final road marking

We were scheduled to complete the work in April, but due to ongoing challenges with utility relocation work, we had to postpone a number of shifts, we now expect to finish work in May.

Our work schedule
We will be back on site to complete the final stage of work for another 22 night shifts and 28 day shifts between Saturday 28 April and Saturday 30 June, weather permitting, excluding public holidays.

Our night work hours will be between 7pm and 7am from Sunday to Friday. Our day work hours will be between 7am and 7pm from Monday to Friday and between 8am and 1pm on Saturdays.

How will the work affect you?
Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by midnight and staging them in different locations.

Traffic changes
There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to the speed limits and follow signs and traffic controllers’ directions.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Nearby Projects
Roads and Maritime Services is delivering improvements, which involves widening Epping Road westbound between Essex Street and Blaxland Road, and improving the intersection at Epping Road and Essex Street.

Thank you
Thank you for your patience during this important work.
