The NSW Government is progressing with the development of the F6 Extension Stage 1 between the New M5 Motorway at Arncliffe and President Avenue at Kogarah.

Roads and Maritime Services will be carrying out utility investigation work on President Avenue in three locations along President Avenue between Lachal Avenue and Colson Crescent, Kogarah. We have included a map to show the location of the work.

The investigation work will involve cutting out small sections of the road, lifting out the cut sections, and surveying the assets under the road surface so we can understand their location. Once completed the cut sections will be permanently reinstated.

Our work schedule

We will be on site for up to 11 night shifts between Tuesday 29 January and Wednesday 20 February, weather permitting. Excluding public holidays.

Our work hours will be between:

- Monday to Wednesday, 9pm and 4am

To minimise disruption to residents, businesses and road users, we will not work more than three nights in any week.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by 11pm and staging work in different locations.
Traffic changes

There may be temporary traffic changes during our work hours to ensure the work zone is safe. The work has been scheduled at night time to minimise traffic disruptions. There may be some parking restrictions on President Avenue to accommodate the work vehicle.

Lane closures and footpath closures may be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers directions.

For the latest traffic updates, you can call 132 701, visit www.livetraffic.com or download the Live Traffic NSW App.

Location of night work on President Avenue, Kogarah.
