Project Update - Mamre Road and Saddington Street, St Marys, from Monday 26 June

The NSW Government is funding this project as part of its $225 million Pinch Point Program, which aims to reduce traffic delays, manage congestion and improve travel times on Sydney’s major roads.

Roads and Maritime Services invited feedback in May on an updated night work schedule to work intermittently up to five nights a week for 52 weeks, for a total of 75 shifts.

No concerns were raised and we have decided to proceed with the proposal unchanged. We thank everyone who took part in the consultation process.

Next Steps

We will be on site for 75 night shifts and 200 day shifts between Thursday 29 June 2017 and Thursday 28 June 2018, excluding public holidays, weather permitting. Our night work hours will be between 8pm and 5am from Sunday to Friday. Our day work hours will be between 7am and 5pm from Monday to Friday and between 8am and 1pm on Saturday.

The work will include:

- widening the western side of Mamre Road by about five metres to provide dedicated right turn lanes from Mamre Road into Saddington Street
- removing nine trees next to the Our Lady of the Rosary Primary School
- building a centre median on Mamre Road to protect the right turning traffic
- installing a CCTV Camera to help monitor and manage traffic.

We have included a map to show the location of the work.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by 11pm.

As part of this work, we will set up a site compound about 450 metres away from the work site on Warwick Street. The site compound will be used throughout the project with truck movements in and out of the construction zone during day and night shifts.

Traffic changes

There will be some temporary traffic changes during our work hours to ensure the work zone is safe.
Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

**Contact**

If you have any questions, please contact our delivery partner, DownerMouchel, on 1800 332 660 or enquiries_nsw@downermouchel.com.
