Out of hours work at 1 Memorial Avenue, Penrith from Saturday 1 July to Tuesday 31 October

The NSW Government is building a new pedestrian and cyclist bridge over the Nepean River to connect Penrith and Emu Plains.

Roads and Maritime Services is continuing to deliver the new bridge, which will provide a safe crossing for pedestrians and cyclists over the Nepean River and improve connections to existing and future shared paths, including the Great River Walk.

Temporary river pier fabrication

Site based welding of the temporary river piers is needed from Saturday 1 July to Tuesday 31 October. Due to quality and safety reasons, we need to work extended hours for this.

Roads and Maritime will carry out work between 1pm and 5pm on Saturdays. This will be in addition to our normal working hours of between 7am and 6pm Monday to Friday and between 8am and 1pm on Saturdays.

We have included a map to show where the temporary river piers are located and work will take place.

How will the work affect you?

There may be some noise associated with this work. We will make every effort to minimise noise, including ensuring our work program allows opportunities for breaks.

Contact

If you have any questions, please contact our delivery partner Seymour Whyte Constructions on 1800 851 934 or nepeanbridge@rms.nsw.gov.au. For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
