Out of hours preparation work at Nepean River Pedestrian Bridge
Monday 12 December to Friday 23 December, and Monday 9 January to Tuesday 31 January

The NSW Government is building a new pedestrian and cyclist bridge over the Nepean River to connect Penrith and Emu Plains.

Roads and Maritime Services is continuing to deliver this new bridge which will provide a safe crossing for pedestrians and cyclists over the Nepean River and improve connections to existing and future shared paths, including the Great River Walk.

Roads and Maritime will carry out preparation work to pour concrete as part of the bridge’s eastern abutment, Memorial Avenue, Penrith. This work will take up to two early morning shifts between Monday 12 December to Friday 23 December and Monday 9 January to Tuesday 31 January, except public holidays and weather permitting.

Due to technical requirements, the concrete pour will be carried out on the two coolest days between Monday 12 December to Friday 23 December and Monday 9 January to Tuesday 31 January. Our preparation working hours will be 5am to 7am. The work will involve:

- Arrival of work crew in cars and small trucks
- Unloading of hand tools
- Installing traffic controls including opening gates and temporary lighting towers
- Setting up concrete boom pumps
- Delivery of concrete in trucks
- Petrol powered concrete tools and vibrators

We have included a map to show where the work will take place.

How will the work affect you?

There will be some noise and light associated with this work. We will make every effort to minimise noise, including ensuring our work program allows opportunity for respite.

Trucks will be turning into the work site at Memorial Avenue. Motorists are asked to please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
